Underlying Information

Line of Business	Carrier	Effective	Limits
Employers Liability (If not written by RLI)			
Commercial Auto Liability (If not written by RLI)			

- Note:
- If the commercial auto is written with another carrier, we still require loss runs, and driving information to verify eligibility.
 - In the state of Illinois, if the Employers Liability coverage is with another carrier then the Employers Liability limits must be a minimum of 1,000/1,000/1,000.
